

Modern Convent School

Sector 4, Dwarka, New Delhi – 78

Transport Guidelines

1. School transport is available on selected routes, subject to route feasibility and seat availability.
2. Requests for a change of route or stop may be submitted in writing to the School Office or Transport In-charge. Changes require prior approval.
3. Students are requested to reach their stop at least five minutes before the scheduled time.
4. Traffic or other unavoidable circumstances may delay the bus by around 10–15 minutes.
5. Students should use their allotted bus and board or alight only at their designated stop.
6. One-way transport is not available; charges apply for both journeys.
7. A parent or authorised guardian is requested to be present at the stop to receive the child. If no authorised adult is present, the child may be brought back to school for collection.
8. Parents/guardians are not permitted to travel in the school bus.
9. Parents are requested to inform the School Office of any change in address or contact details.
10. Students of different age groups travel on the bus. All students are expected to behave respectfully towards one another and towards teachers, helpers and the driver.
11. The school reserves the right to withdraw transport facilities if a student damages the bus, bullies another student, uses derogatory language, misbehaves with staff or passes inappropriate comments to people outside the bus.
12. Any change in transport charges will be communicated to parents.
13. School transport is a facility and cannot be claimed as a matter of right. Seat allotment will be based on route feasibility and seat availability.

For transport-related queries, please contact the School Transport In-charge at 9312277474.
