

MESSAGE FROM PRINCIPAL

Dear Parent

26 March2020

Today our country is trying to face a formidable situation in front of which many developed countries have succumbed. My most obliged request to you is to follow the instructions given by the Central and State government from time to time with full responsibility, discipline and sensitivity. Your cooperation will be in the interest of yourself, society and country.

Our primary responsibility in this difficult time is to provide a clean and safe environment to our children. We also know that many parents like you will be worried about their children's studies, upcoming sessions, etc. Send any query or concern you have to us through school's email id modernconventschool@rediffmail.com or Edlantic app. All the staff of MCS are ready and able to answer your queries and would be in constant contact with you.

By next week your ward's class teacher of session 19-20 will also create a WhatsApp group, in which educational links related to syllabus of session 20-21 and written notes of first few lessons, worksheet for primary classes will be posted.

Our smartboard partner Extramarks Pvt. Ltd. has made the facility of its online app free for MCS students till 30 April. The link to this will also be updated on WhatsApp group and FB page.

We suggest that whenever you get time, you should show these links to children and make them write written notes / worksheets on loose sheets. We request you to not put any kind of mental or any other pressure on children and yourself at this time. Once the school reopens, teachers will do the syllabus again in classes.

Our priority at this time should be the physical and mental well-being of ourselves and our family.

The syllabus and assessment schedule of this session will be considered after the school reopens and appropriate changes will be made keeping the interest of the children in mind.

CBSE will also take appropriate steps for the students of Classes X and XII, but the students of these classes will have to maintain their focus. An online interactive classroom has also been arranged for class X & XII and regular classes are going on in many subjects.

The detail result of the session 2019-20 will be available on the Edlantic app as per schedule. For parents who have not subscribed to the facility a link will be provided on the school's website in a few days for them to be able to see their ward's report card. Books and uniform buying facility will be made available in the school premises when the school opens.

Keep hope because it is only hope that will give us the courage to endure this difficult time. Stay in, stay safe and have faith.

Wishing for your health and your safety...

Dr (Mrs.) Sheetal Mann
(Principal)
